

Proposed changes to trader permit parking

A consistent and easier-to-manage
permit system.

Trader parking precincts

- Bennettswood Shopping Centre
- Blackburn Station Village
- Brentford Square Shopping Centre
- Laburnum Village Shops
- Milne Road Shops
- Mitcham Shopping Centre
- Mont Albert Village Carpark

Have your say by Thursday 10 Sept

permit-parking/trader-parking-permits](https://yoursay.whitehorse.vic.gov.au/permit-parking/trader-parking-permits)

What's being proposed

Consistent allocation

- A consistent allocation of up to 2 permits per business.
 - Larger businesses may be able to apply for additional permits.

Open eligibility

- Every business within each of the 7 precincts is eligible to apply for permits.

Standard fee

- A consistent annual permit fee of approximately \$90 per permit (subject to Council budget approval).

Consistent administration

- A single online application and annual renewal process, with all permits administered by Council.

Precinct Specific changes

Brentford Square Shopping Centre:

- Permit management would be administered by Council rather than centre management.

Laburnum Village Shops:

- Permits would be valid in nominated surrounding streets (except where there are parking sensors).

Mitcham Shopping Centre:

- Existing permit holdings and allocations would be reviewed in response to feedback about oversubscription.

Mont Albert Village Carpark: Proposed new parking time restrictions for traders

- 8.00am – 5.00pm Monday – Friday
- 9.00am – 1.00pm Saturday
- No restrictions Sunday

Blackburn and Mont Albert:

- No additional permits for larger businesses, due to limited parking capacity.
